

ADOPTION AGREEMENT FOR : \_\_\_\_\_

We understand that we are not purchasing a pet, but adopting an orphaned animal.

All family members agree to this adoption.

None of the adoptive family members has allergies to dogs.

We understand the dog may need a period of adjustment to his/her new home and we will provide what is necessary to ease this transition.

We will treat the dog humanely and provide his/her emotional and physical needs, including adequate food, water, shelter, exercise and mental stimulation, veterinary care, and love.

We will Allow Mex-Can Pet Partners to follow up on the adoption regularly throughout the first 2 - 3 weeks, then one month later, and then intermittently through the dog's life. We may contact Mex-Can Pet Partners at any time and will promptly seek advise if a problem affecting this placement should arise.

We will get the advice of a professional trainer or veterinarian should any behaviour or medical issues arise.

We understand that rescued dogs often have issues and we are prepared to address them in an informed way and using only positive training methods.

We agree to notify Mex-Can Pet Partners first if we are considering giving the dog up. We will not sell or give away the adopted dog. We are aware that if at any time we are not fulfilling the adoption contract Mex-Can Pet Partners has the right to remove the dog from our home.
